

Foundation Stage 2 Home Learning Tasks: Week beginning: 11th May 2020

This half term our class topic is 'Once upon a time...' and will largely be based around well-known fairy tales. This week your child has been set a variety of home learning activities that will enable them to explore some aspects of the topic as well as practise some key skills from the Foundation Stage Curriculum. We understand that finding time for home learning can be difficult so please work through the activities at your own pace, in any order and please do not worry if you don't manage to complete them all. You may wish to share photos or videos of your child completing the activities in their Dojo Portfolio.
