

Class 2 Home Learning Tasks: Week beginning: 1st June 2020

Hi everyone!

We hope that you all had an enjoyable half-term 'holiday' and managed to have a bit of a break from school work. It was lovely to see what some of you were getting up to at home. Here is the work for this week, if you have not finished off things from last half term then you can either focus on finishing those tasks or start on something new. It would be lovely to see some of your finished habitat models so we have kept that on here for you to work on.

Take care everyone.

Mrs Lawson and Mrs Rahman x

English

Read your school book (or any book you have at home) at least 3 times this week. Write a book review about the book.

Writing- Non Chronological reports- Research and write notes about your chosen endangered animal under the following headings; Appearance, Habitat, Diet, Behaviour, Offspring/Babies.

Spell Choose 10 words from the Y34 word list. Practise these words daily then ask someone in your house to test you at the end of the week. Choose 5 of the words to put into a sentence. Use the Creative Spelling sheet for extra ideas.

Reading Eggs- Complete your assigned tasks on Reading Eggs.

Lexia- If you do Lexia you need to make sure you complete your minutes each week.

Maths

Mathletics- Complete your assigned tasks on here.

TT Rockstars- Complete at least 3 Soundchecks, take part in a battle or even challenge a friend (you could challenge your teachers too!)

We will continue using the **White Rose Maths Scheme** for our Maths tasks this week. There is a task for each day with a video to watch and a task sheet to go with it, we will post the sheets on Class Dojo daily.

Summer Term Week 6- (w/c 1st June 2020)

Year 3 Maths- <https://whiterosemaths.com/homelearning/year-3/>

Please select the alternative week choice not the Fractions work

Summer Term Week 6- (w/c 1st June)

Year 4 Maths- <https://whiterosemaths.com/homelearning/year-4/>

There are also some great Maths tasks on BBC Bitesize.

<https://www.bbc.co.uk/bitesize/dailylessons>

Year 3 Maths

Monday- Add two 3-digit numbers

Tuesday- Subtract 3-digit numbers from 3-digit numbers

Wednesday- Subtract a 3-digit number from a 3-digit number

Thursday- Estimate answers to calculations.

Friday- Maths Challenge.

Year 4 Maths

Monday- Add 2 or more fractions

Tuesday- Subtract 2 fractions

Wednesday- Fractions of a quantity

Thursday- Calculate quantities

Friday- Maths Challenge.

Topic

For our East Coast Crazy topic work, we would like you over the next 2 weeks to choose a seaside/coastal town on the East Coast and do some research about it. You could find out how many people live there (the population), what things there are to do there, what landmarks or popular sites are there and anything else that you can find about the place. You can present your work however you like- a leaflet, a poster, a booklet etc. Add photos (or drawings) and interesting facts. Try to use descriptive language and interesting sentence starters.

Town suggestions- Hornsea, Bridlington, Scarborough, Whitby or another town of your choice but make sure you can find plenty to write about.

Art – Henri Rousseau is a French artist who created many paintings with a jungle theme. Have a look at ‘Surprised’, ‘Apes in the Orange Grove’, ‘Jungle with Lion’ and ‘Tropical Rainforest with Apes and Snake’.

Recreate one of these paintings using any mediums you have at home – pencil, crayon, paint, felt-tips, chalk, pastel etc.

Look at the features closely; their textures, colours, shape and lines.

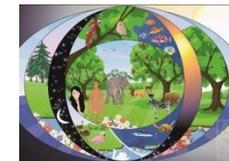

Practise drawing the different features separately before putting your final piece together.

Science- Living Things and their Habitats.

Continue working on your shoebox habitat. Remember to research your chosen habitat and what it needs to include. You may want to take pictures to record your progress. There are lots of videos on YouTube if you search ‘shoebox habitat’. You should also write about your habitat and the animals it is home to and why. Upload pictures to Class Dojo to show us how you made your habitats

R.E.- Watch the creation story Genesis 1-2 (You Tube, Stories of the Bible.) Make a story board of what happened on each day. Add sentences to say what is happening in each picture.

Optional things you could do!

- Continue writing your diary about your life in lockdown. Can you write about how you are feeling and the events in the news. Newsround is great to keep you up to date. <https://www.bbc.co.uk/newsround>
- Write a review of a film or TV show that you have watched this week. What happened? What did was your favourite part?
- Write a letter to a friend that doesn't live near you and talk about the things that you have been doing during the Lockdown.
- Make your own wordsearch for a family member to complete. You could do it about anything you like! Remember to write the words down that they need to find.
