

## Class 3 Home Learning Tasks: Week beginning: 22<sup>nd</sup> June 2020

### English

**Read** your schoolbook (or any book you have at home) at least 3 times for 20 minutes this week. Find examples of simple and compound sentences.

Extra challenge: IF you come across any words that you are unsure about look them up using a dictionary and write down their definition.

**Spelling:** Choose 10 words from the Y5/6 spelling list. Practise these words daily and then ask someone in your house to test you at the end of the week. Can you put 5 of these words in your story? Highlight them if you can.

**Reading Eggs-** Complete your assigned tasks on Reading Eggs.

**Lexia-** If you do Lexia you need to make sure you complete your minutes each week.

<https://www.youtube.com/watch?v=po-uhyXUtuQ>

Listen to chapter 1 of Kensuke's Kingdom.

Write an informal letter from Dad to Mum and Michael explaining that you have bought a boat. Try and convince them as best as you can to come and join you on the Peggy Sue – list as many good things about going on a tour of the world as you can! Ensure you format your letter correctly and try to include some spelling words from the 3/4 and 5/6 spelling list.

Listen up to chapter 4 on YouTube. Write instructions to help somebody survive on a desert island.

Answer the questions attached after each chapter.

### Topic

Look at the accompanying sheets to research about the Catholic Church.

Use the information to answer the following questions:

Name some of the features of a Catholic church

Who was the head of the Catholic Church?

What did every person have to pay to the Church to ensure they went to Heaven?

Why did some people begin protesting against the Catholic Church?

### Maths

**Mathletics-** Complete your assigned tasks on here.

**TT Rockstars-** Complete at least 3 Soundchecks, take part in a battle or even challenge a friend (you could challenge Miss Tipler too!)

#### **Year 5:**

Please complete Summer Term **Week 9 (w/c 22.6.20)**

<https://whiterosemaths.com/homelearning/year-5/>

#### **Year 6:**

Please complete Summer Term **Week 9 (w/c 22.6.20)**

<https://whiterosemaths.com/homelearning/year-6/>

### Science

Place two fingers on your wrist and count the number of beats for 10 seconds and multiply it by 6 to find your resting heart rate. Investigate how different exercises affect pulse rate (you could test standing still, jogging, skipping, running, sprinting and any ideas of your own you have!). You will need to keep how long you exercise for the same (60 seconds?) and measure your pulse after each exercise. Record your results in a table.

Answer the following:

1. What you are investigating.
2. Prediction (What you think will happen)
3. Method (How you are testing it)
4. Recorded Results
5. What you have found out...

### Music

Listen and appraise "The Loco-motion" by Little Eva. Listen to Kylie Minogue's version. Compare the two.

Which did you prefer and why?

Find the pulse of the music and move with it.

How did the song make you feel?

Improvise with the song

What can you hear? Voice/instruments

Is there a hook? Comment on the tempo and the pitch
